

# ON THE OTHER SIDE

*On the Other Side* is not a substitute for our *Iona News*, but in one respect it serves the same purpose, that of communication. Here, in this space, is a great deal of room for communication. The boxes of information can be expanded to accommodate news and views at least twice as much again. We all need to connect as a community of faith, - God's people together. That is our strength! Another thought is that we are asked to reach out; to be inclusive and to invite others to enjoy the fellowship of followers of Christ. Why not use the Calendar of Events as an outreach tool. Let our neighbours see what is happening in that church up on the hill. Easter reminds us of our risen Lord. A renewal is in the air, as we realize once more the reality of Christ as a living person. God equips each of us as his heralds, proclaiming the truth about the Living God. This publication might be worth sharing with your friends who might be looking for a renewal.

Deadline for information on May is **April 22**.
